A COMPLETE SHARI'AH-COMPLIANT SOLUTION TO THE FEES AT DEATH

WHY THE TAZKIYA™ LEGACY PROTECTION PLAN™

Until now, there has been no clear leader in Shari'ah-compliant solutions for the Muslim community, in South Africa.

According to Islam, conventional insurance products are forbidden as they are tainted with interest and uncertainty. As a result, South African Muslim communities have been unable to protect their families and provide financial security when they pass away in a manner that allows them to observe their faith.

Capital Legacy has created a Family Takaful, ensuring that the Tazkiya™ Legacy Protection Plan™ cover is completely Shari'ah-compliant and in accordance with Islamic principles as none of the funds are 'contaminated' by interest or any other undesired financial influences.

WHAT IS THE TAZKIYA™ LEGACY PROTECTION PLAN™

It is a Shari'ah-compliant Will, Family Takaful and Estate Administration offering and the first-of-its-kind in South Africa.

TAZKIYA™ LEGACY PROTECTION PLAN™

Our unique, first-to-market Tazkiya™ Legacy Protection Plan™ is a complete Shari'ah-compliant solution that accompanies your Islamic Will, honouring your faith by providing for your Islamic Heirs and covering you and your loved ones from the inevitable legal fees associated with death, from as little as R 82.76 per month. The Tazkiya™ Legacy Protection Plan™ also offers protection from various expenses that arise when you pass away.
